Product: Industrial Bags; Custom-Designed Soft Packaging; Industrial Sewing

Company Overview

Central Textil, located in Northwest Alabama, is the leader in soft returnable packaging, design, and manufacturing. With over 30 sewing stations to manufacture your custom-designed soft packaging, our systems insure that we produce the highest quality product.

We are fully staffed, equipped, and capable of producing an average of 400 industrial bags per day. Your personal program manager will work

with you from concept, to prototype, through production to on-time delivery to ensure you are completely satisfied with your product. With an approved concept, prototype samples can usually be delivered within 5 days or less.

By utilizing our soft packaging, you will reap a number of benefits:

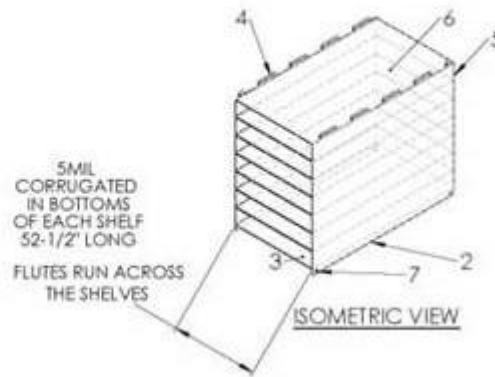

- No tooling costs
- Reduction of specialty films, coatings, or protective packaging on parts
- Utilization of existing containers
- Increased packaging density

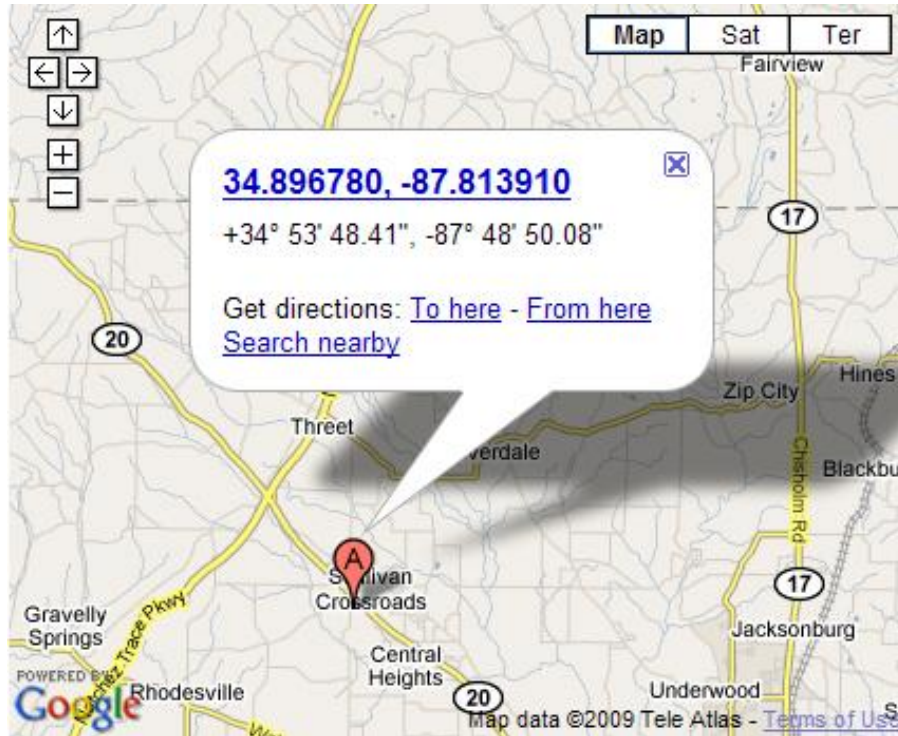

"Our goal is to supply full-service, soft-packaging solutions and quality products delivered on time at a competitive price. We are committed to assisting our customers with the most effective packaging solutions to fit their needs. We look forward to earning your business." *Dan Pierce, General Manager*
